

World Water Day 2023 asks people to “Be the change you want to see in the world”.  
Post World Water Day social media assets using #WorldWaterDay to generate debate and raise awareness.

Your actions, no matter how small, can help solve the water crisis:

- Take shorter showers
- Create a raingarden
- Buy local, seasonal food

Share your #WaterAction

[www.unwater.org/bethechange](http://www.unwater.org/bethechange) this #WorldWaterDay

Be the change – do what you can to help solve the water crisis:

- Turn off the tap
- Don't put waste down the drain
- Clean up your local river, lake or beach

Be the change and speak up!

Break taboos and talk about the critical connection between toilets, water and menstruation.

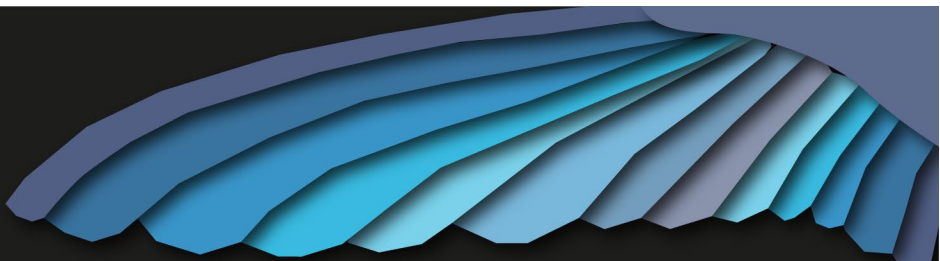

Ahead of #WorldWaterDay, learn what you can do to help solve the water crisis and take #WaterAction [www.unwater.org/bethechange](http://www.unwater.org/bethechange)

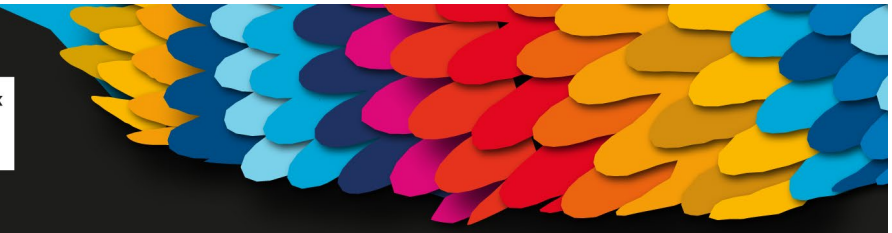

Right now, we face a water and sanitation crisis. Play your part to solve it. To help, I am [...] #WorldWaterDay #WaterAction

The actions we take – no matter how small – make a difference. [...] is my solution to help solve the water crisis. #WorldWaterDay #WaterAction

In the ancient story of the hummingbird, she carries drops of water to put out a great fire. She was doing everything she could. Like the hummingbird, I am doing what I can by [...] #WorldWaterDay #WaterAction

Get involved in the #WorldWaterDay and help solve the water crisis:

- Organize a talk or lesson at your school
- Learn more about nearby rivers, lakes and wetlands
- Make an artwork, song or film about water
